

## **Cuba Travel Services Announces an Improved Flight Schedule Starting July 1, 2013**

*In efforts to enhance the overall travel experience of their clients, Cuba Travel Services formed partnerships with two reliable carriers, American Airlines and Sun Country Air.*

Long Beach, CA ([PRWEB](#)) July 09, 2013 -- Cuba Travel Services will charter flights operated exclusively by American Airlines and Sun Country Airlines to popular destinations in Cuba including Havana, Camaguey, Santa Clara and Cienfuegos.

In efforts to enhance the overall travel experience of their clients, Cuba Travel Services formed partnerships with two reliable carriers, American Airlines and Sun Country Air. Cuba Travel Services will arrange flights using their fleet of next generation Boeing 737-800 aircraft bringing a new level of comfort, safety and reliability to passengers on board.

“Whether our licensed passengers are visiting family or participating in an authorized group travel programs, we are committed to providing a travel experience that exceeds our clients expectations,” said Michael Zuccato, General Manager at Cuba Travel Services. "We design all our partnership with our travelers in mind. Providing our clients with the highest quality product at a competitive price is an essential component to our decision making process."
